PRESIDENT'S CORNER AUGUST 2021

Greetings:

Gone are the long summer days; giving way to crisp mornings, evenings by the fire and fall festivals. We are once again approaching Log Cabin Day celebration. Unfortunately, due to the pandemic it has been scaled back a bit—only one day, Saturday, September 25th. Next year we hope to be back on track and celebrate as usual.

This is our time to celebrate the Heritage of Warren County. We should use this time to reflect on Iowa's 150 years of rich history that makes Warren County what it is. Come visit the museum and other attractions located in our Village. We are also open on Thursday 9 to 4 and Saturdays 9 to 12

Our new renovation/restoration project will be the LOG CABIN. It is in dire need of repair and is an important part of our Heritage Village. If we want to preserve the cabin for future generations to share, learn and enjoy, it needs a lot of love. The village and museum are also much loved traditions for our fifth graders Pioneer School, where they enjoy an end of year field trip.

The cabin roof needs to be replaced, the foundation is settling and causing the building to shift, some logs need chinking and replacement, and it needs to be protected from insects and the elements in order to survive.

So, if this nice fall weather inspires you to do some "fall cleaning" please remember us. We will be having a cleaning day on Thursday September, 16th at 9:00 am to clean for LCF. You can also drop off garage sale donations on Thursdays or Saturday mornings. Please no clothing.

Bottom line, come and enjoy Log Cabin Festival! Vendors will be in the Carver Building and outside, model trains in the museum, Pumpkin and Sunflower Contest, photo ops, games, garage sale, food, scarecrow making, and quilt show. Friends and family will have a good time for all ages,

JOIN US

The William and Beverly Dickerson Family invite you to join them at the dedication of a memorial for Bev and Bill at 1:00 pm at the Mt. Hope School during Log Cabin Festival on September 25th. Refreshments will be served.

Bev's hard work, enthusiasm, and love of Warren County and its people nurtured WCHS back from the verge of extinction in the early 2000s. She also shared her husband Bill, who was always ready to get large objects moved, check on our buildings late at night and be top bidder at our cake and pie auctions.

2021 Log Cabin Festival Quilt

Thirteen year old, Lily Spain, designed and pieced our Log Cabin pattern 75" by 95" quilt. Her grandmother and quilting instructor, Debbie Simpson, has quilted it. Raffle tickets are 1 Ticket for \$2 and 6 tickets for \$10. You can purchase quilt raffle tickets at the WCHS Museum and The Stitching Place or call WCHS at 1-515-961-8085 and we will send you tickets. The quilt drawing will take place around 4:00 pm Saturday, September 25th at Log Cabin Festival. Winner will be notified. You do not need to be present to win.

WICK FIELD DAY

Real and Personal, By Walter H. Beam

One of the oldest organizations of its kind in the state, the Wick Field Association was started in 1903 and under the leadership of Samuel Yaggy, who at that time owned the general store at Wick. It sponsored the first plowing match in Iowa. The Wick Picnic has been an annual affair for a half century. The picnic and plowing match were held on the farm owned by H.H. Yaggy just east of Wick. Mr. and Mrs. George Day and their five boys lived on this place. In five years the event had outgrown the available space at the original site, so it was moved in 1907 to a grove just east of the Rock Island Crossing (Burlington and Rock Island) where it has been held every year since. Not long after the move the picnic was made a two-day affair. The grove is now within the corporate limits of Martensdale.

In 1952 the 50th year, in connection with the picnic, the state level land plowing match, which is sponsored by WHO, Des Moines, was held at Martensdale. This is the first time a state match has been held in the home county of any governor and Governor Wm. S. Beardsley was present to talk to the "home folks". Four of the Day boys were there, Harvey, Emory, Ralph and Allen.

The county plowing contest was on Wednesday, August 13th and the plowmen's banquet was in Indianola that night.

Thursday, August 14th, was the big day. There was a colorful parade with many floats of historical interest; the walking plow which Emory Day won the first match, and the sulky with which Court Parish won several times, were in the parade. Both men were there too, and Court had his trophies along.

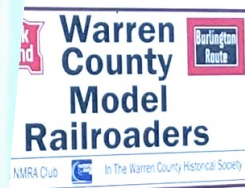

One interesting thing in the plowing was the horse section with nine big horses, a walking plow, a sulky, and a gang. No contest, but all plowed a little.

Herb Plambeck was the leading representative of WHO.

The weather was fine all day until early evening, when a heavy rain prevented the home talent show.

Walter wrote that the secretary's books of the Wick Field Association were no longer available, so to write its history would be from memory totally.

Joan Davitt, 17, daughter of Mr. & Mrs. A.P. Davitt, who farm near Martensdale, and the queen of the level state land plowing match, gives Bob Bane, 21, farmer from near Banderant, 1st place trophy at the match held on the Joe Seymour farm. Thanks to the Warren County Model Railroader's Club we have a wonderful new entrance sign at our south door. They also placed a Warren County Model Railroader's Club sign on the southside of the building.

ALASKA GOLDRUSH

In 1883 Ed Schieffelin identified gold deposits along the Yukon River. In the 1880s several hundred mines were working their way along the Yukon River. In 1893 the Little Miller Creek Placer mining area was discovered.

In 1893 Charle and Martin Barker, brothers from Liberty Center, were in the Miller Creek area near Fairbanks, Alaska. The brothers were there a few years before the 1896-1899 big Klondike Gold Rush.

WCHS has a photo album and original letter from Martin to his father written in 1893. These were donated by their relatives Ben and Sarah Hamilton. Joshua Hadley Barker was born in 1842 in Liberty, IN and married Melissa J. Holloway. Charle H. Barker was born January 18, 1868 in Wapello County, Iowa and Martin R. Barker was born February 4, 1869. Joshua served in the Iowa 36th Infantry. After the Civil War the family moved to Liberty Township, Warren County, Iowa. Sisters to the two brothers were Grace Barker Briggs and Anna Netta Barker Hamilton. Grace was married to C.C. Briggs, former mayor of Indianola. Charle died June 2, 1891 in Red Oak, Iowa and Martin died February 4, 1895 in Iowa and has a headstone in Liberty Center.

Excerpts from Martin's June 1893 letter to his father, Joshua: *My love to everybody in Iowa (Democrats excepted).*

WHAT IS IT? ANSWER

Sally Spear brought in two Thumb Stalls that were used on her thumbs to keep her from thumb-sucking in 1954. They were tied to the child's thumb.

“Old Bluebird” was first building at Simpson College. It was a two story brick building that was painted with gray lead paint. The first floor had two rooms and the second three. The paint gave it a bluish gray color and it was nicknamed Bluebird. It was destroyed by a storm in 1871,

MRS. DORA HONNOLD, OLDEST INDIANOLA NATIVE RESIDENT in 1949
From Indianola Record, November 10, 1949

Dora Gifford was born in Indianola, IA on May 10, 1856, less than seven years after the town's founding. Her parents were John Biram and Gulielma Marcia (Hoskins) Gifford. Her family moved to Indianola in 1855 from Park County, IN. Dora's grandmother Hoskins was a Quaker minister. They became Methodists when they moved to Indianola.

J.B. Gifford was a cabinet maker, grocer, farmer, carpenter, real estate developer, Methodist, justice of the peace and passed the bar in 1859. At the time of his death in 1912, he owned two blocks on the Indianola square, his home on West First and properties in Des Moines.

Dora attended “Old Bluebird” the first building at Simpson College. Dora said, “When Simpson College Chapel (Old Chapel) was under construction, the athletics for us children consisted in swinging on the long ropes which pulled the building stones into their places,

She graduated from Simpson in 1875 where she, a sophomore, met Charles W. Honnold, a senior from Garden Grove. Dora was a founding member of Delta Chapter of Tri Delta at Simpson.

In 1874 Charles was superintendent of Boonesboro, IA schools. Then he attended the U of Iowa for a bachelor of laws degree. They were married in 1877 and resided in Indianola. Charles went into the mercantile business with his father-in-law. He also directed the Methodist Church choir.

Dora was a charter member of Monday Club the 1st Indianola woman's club. She wrote the prize winning Indianola slogan, “Indianola Boosts the Best”, in 1912. Dora lived her entire life in Indianola until her death in October 1949 at the age of 93.
